

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Presentation from Lodi Rotary Club - Front Entrance Sign at Lodi Lake Park

MEETING DATE: January 18, 1995

PREPARED BY: Parks and Recreation Director

RECOMMENDED ACTION: That the City Council accept the Lodi Rotary Club project of installing a new "Lodi Lake Park" sign at this facility.

BACKGROUND INFORMATION: Some time ago the Recreation Staff/Commission created a gift catalog which we call "Catalog of Dreams and ideas," to give residents, service organizations, businesses, etc. ideas in ways to help the City with our many projects and needs. Here are the results due to these efforts.

Lodi Rotary Club President, Phil Lenser (or his representative) is here tonight to present the project to the Council and hopefully receive your acknowledgement of their community involvement.

The club provided the City with a blank redwood sign board and paid \$600.00+ for sandblasting the sign lettering. The club plans on installing the sign in the very near future (February).

Please give the Lodi Rotary Club and its members a very warm thank you and pat on the back for a job well done.

FUNDING: \$500-\$1,000 for city involvement to assist with (sandblasting) sign and preparing the area for installation
